MEMORANDUM FOR: DEPUTY DIRECTOR OF TRAINING (SPECIAL)

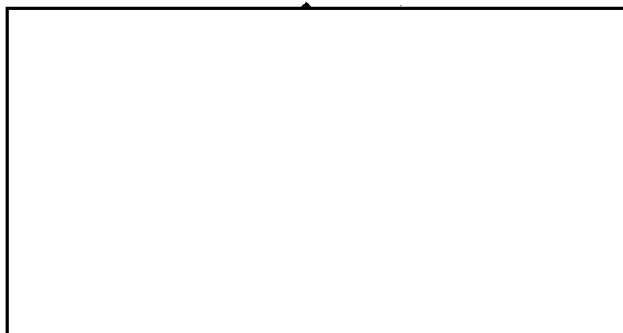

SUBJECT: Assessment Report

1. I have been advised by my superiors that the report of my assessment was generally favorable, but I am desirous of learning whether it revealed any weaknesses which I might profitably try to overcome.

2. I realize that ordinarily the report of assessment is made available only to one's supervisors and others responsible for his assignment. However, in the present instance I believe there are factors which offer potential advantage to the Agency in making me acquainted with the results of my own assessment. If there is a means by which this can be authorized I shall very much appreciate the privilege.
